

Message from the Race Director:

Details for the 2018 Woodsplitter MTB Race!

DATE: Saturday, August 18

TIME: 8:45am Check-In / 9AM - 3PM Race

LOCATION: Green Mountain Trails, Top of Tweed River Drive, Pittsfield, VT 05762

Due to limited parking, PLEASE CARPOOL AS MUCH AS POSSIBLE.

This race is a Leadville qualifier so you will be challenged to see how many times you can complete the marked 10-mile loop within a 6-hour time limit.

To qualify for a Leadville slot, racers must complete at least 4 laps of the 6 hour Peak Woodsplitter course within the allocated race time. The first 6 slots will be awarded to the top 3 men and women. Up to 14 remaining slots will be distributed through a lottery of the remaining athletes who have completed at least 4 laps.

Overnight camping will be allowed at the top of Tweed River Drive only. Anyone planning to camp will need to arrive between 8-10pm on Friday 8/17. A Peak Races official will be available to direct parking during this time. Arrivals earlier than 8pm are discouraged. Any camping items that are taking up space, such as tents, must be packed up no later than 7:30am on Saturday morning.

There will not be a water refill station or food on course, however there will be a drop station at the course start/finish where you can leave any nutrition and hydration that you will need.

Join us for the post race meal provided by Peak Races. See you there!
